SPECIAL NOTICE

Recently, the Lansdale Fire Marshall conducted their annual inspection of our church and while none of the deficiencies were serious in nature, there were several.

As your Chair of the Trustees, I need help from church volunteers to correct the one deficiency involving all storage and closet areas throughout the church including common space (classrooms, kitchen, etc.). The code states that all **“storage shall be at least 24” below the ceiling of the interior space.”** Therefore, not knowing who they are, I am putting out a request to volunteers who are responsible for certain storage areas to remove anything within the 24” zone from the ceiling.

I understand that this may be a challenge as our storage space throughout the church is limited. May I suggest that this may be a good time to remove and discard any items not needed to make room for the items within the 24” zone.

Please note that all deficiencies must be corrected no later than **August 16** as the follow-up inspection will take place on Monday, August 19.

I ask that you communicate with Kay Peebles on your progress and reach out to her if you have any questions regarding this fire code. Also, don't hesitate to connect with Leroy Horst if you need assistance discarding or moving any items. I am also available via cell phone at 610-505-4094 . The Trustees will be conducting our own internal inspection to make sure we are compliant.

Thank you for your service to our amazing church.

Peace,
Bob Bertollette, Chair of Trustees Committee
