## Support the UCC's Hurricane Helene Appeal

The impact of Hurricane Helene is widespread and devastating, as more than 100 people have been confirmed dead, over 2 million people are without power, and damages are estimated to be over \$140 billion. Two UCC congregations on Florida’s Gulf Coast have buildings with significant flood damage, and another experienced structural damage from high winds. The UCC has a long history of supporting communities as they recover from disaster well after their plight fades from the headlines. As we continue to pray for and respond to those who have experienced unimaginable loss this past week, please consider a gift to the Hurricane Helene Recovery Appeal. Gifts can be made through PSEC here:
